Beachball Prince Saga: Grey Sand

Nel: The big news this orbit is the premier of this series set on Luno. I got a lot of faxes with strong opinions on this!

*Fan J: This is the first show in the franchise to have a newcomer as one of the romantic leads! Up until now we've only been supporting characters or even extras. Yes, sometimes it's been a bit patronising, but we haven't seen all the episodes yet. I'm excited to see where it goes. And if it all turns to sh*t we still have fanfiction!*

*Fan P: So this one has a newcomer in it. Whoop-dee-f*cking-doo. Of course it's set on Luno, not Forsaken Edge. Of course he's aqumbral but not orthodox. Of course there's flashbacks to an ancestor arriving on the flotilla. Honestly, the previous "token" newcomers were more interesting - or at least they were once we came up with cool fanon for them.*

Nel: As you can see, the flames have been flying over the wires, folks, and I'm still working on my own review of the first few eps. Good and bad things so far, I think! Ready your fax machines to complain about my review in the next issue!

Continuity Corner

If Ginger lost his memory in Beachball Cove: Origin, why did he go to New Mars in the original Series?

Where was Connor's sixth finger in BBPS: Another Match?

If Ryuji was on Luno during Grey Sand, how could he compete in the Underground Tournament Arc at the same time?

Why were the rules never enforced in the Double Ball Saga?!! Ref, he threw sand in his eyes!!!!

Shiro's Crimes

Too hot

Cheating (sport)

In defence of Her Majesty Princess Yae

Hey, put your pitchforks away! I think this character has some real positive qualities that we're all overlooking!

Her brother is hot.

Literally let Shiro get away with murder (he didn't do it)

Looks good dressed as a guy
(Fan Q. this one's for you)

Dies in the Double Ball Saga

When's your review of Grey Sand going to be done?! You're the only opinion I trust! (Fan S)

Next issue! I pinky promise! (Nel)

So I tried actually getting into Beachball for real and almost drowned for my troubles. Do not recommend. (Fan N)

You almost DROWNED playing beachball? Fan N, I think you were doing it wrong. (Nel)

Looks like they've changed back the cut of the trunks for Grey Sand. The dark days are finally over and the buns are back on display! (Fan X)

I don't know what you're talking about, Fan X. I watch this show for the complex themes and character dynamics. (Nel)

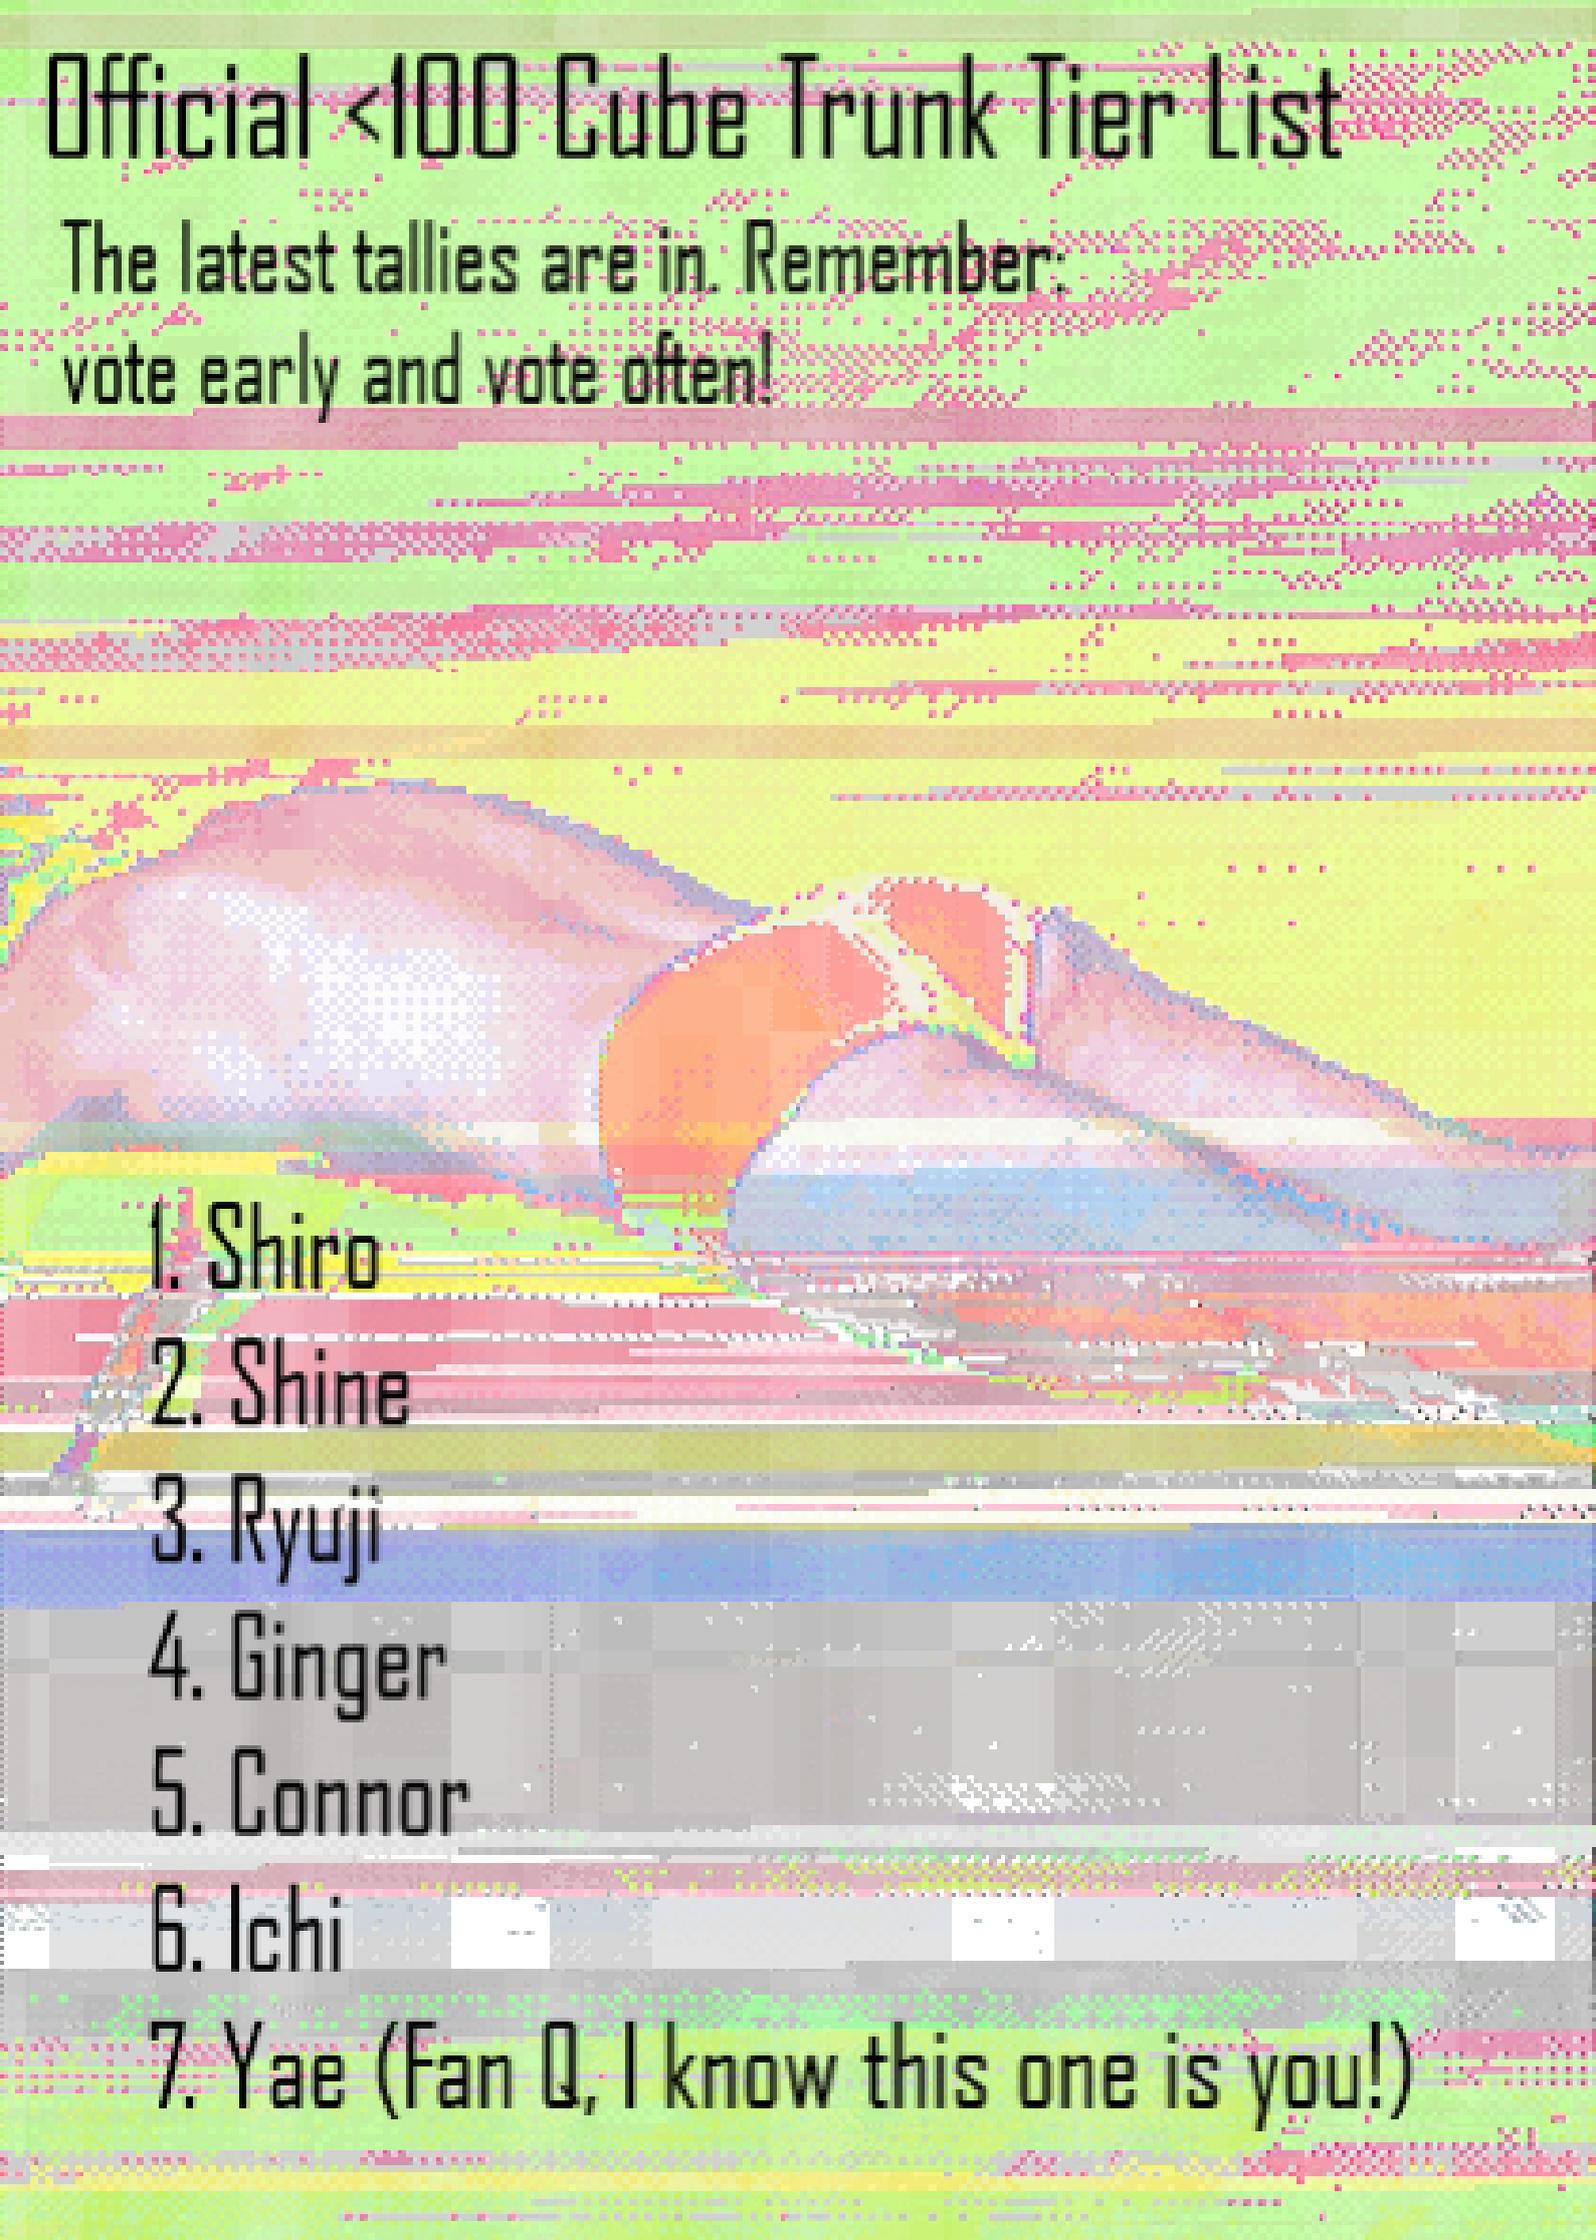

Hi neighbour, can you turn down the cartoons or whatever? Some of us have work in the morning. Thanks and sorry. (Name and fax no. withheld)

Whoops, of course I will!
