

It's good to see you again. It's been a while...

You know, lately, I've been feeling ? ▾

I don't know what's come over me.

it's as if...

there's

no

more

clarity

I think it's time to turn on some [music](#)

That's better...

So, this is going to sound morose...

but ...

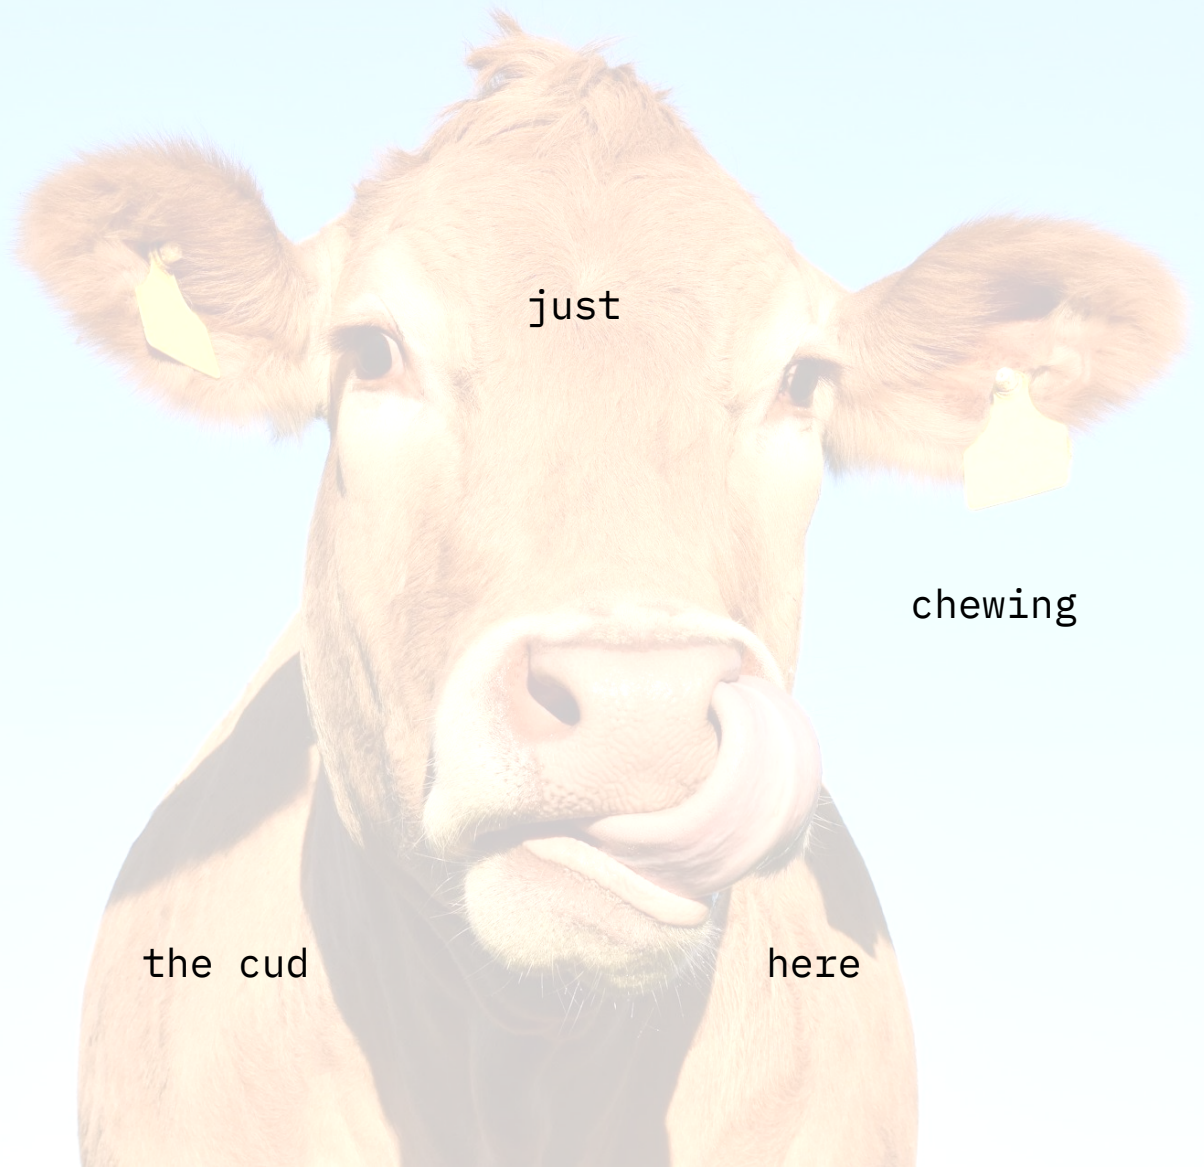

I've been thinking about

Ya know, the great beyond and all that.

Don't take me wrong:

We're

just

chewing

the cud

here

Honestly, I do still feel like a calf in its prime.

Maybe it's just morbid curiosity,

but...

I have

this [survey](#)

Completely academic.

Totally anonymous.

Thanks for your participation.

So...

Have you heard of [tinnitus](#)?

My ears have been

buzzing

and

ringing

especially

at night

The doctor says it's hay fever.

postnasal drip

congestion

sinus pressure

typical

symptoms

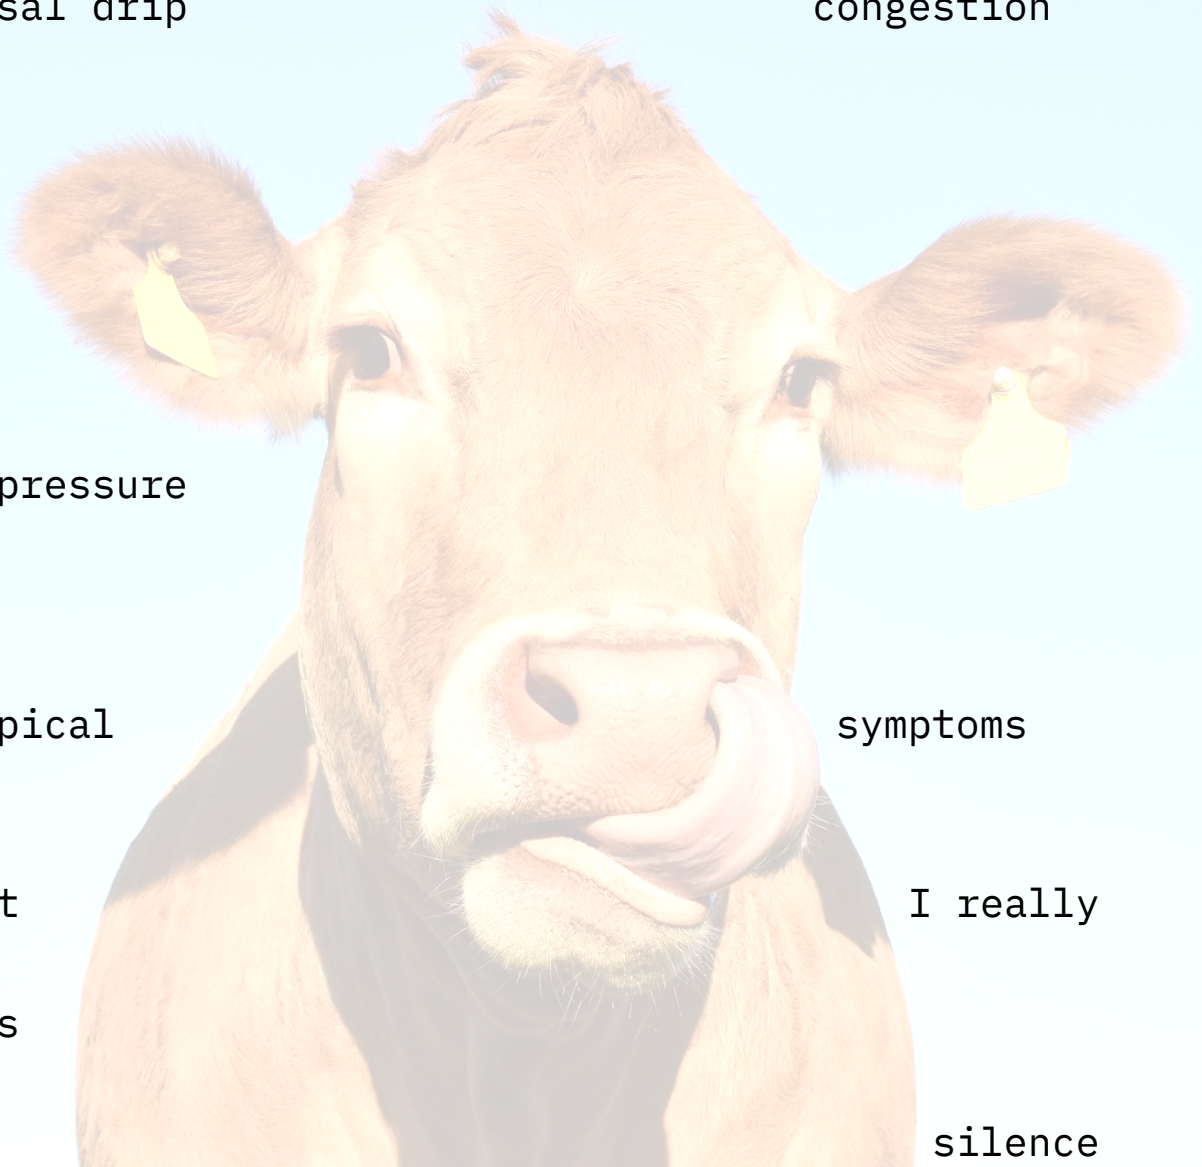

But

I really

do miss

pure

silence

Well, it's been good talking with you, friend.

I found this cool [video](#) the other day.
